ACADEMIC RESULTS

For the 2013-14 school year, California did not administer its standardized tests and the related Academic Performance Index (API) scores that enable comparison across schools. In place of those results, we are sharing the Measures of Academic Progress (MAP), a nationally norm-referenced exam taken by KIPP schools across the country.

Nationally, 50% of students make typical growth in reading and math. At KIPP Bay Area Schools, 79% did so in math and 78% in reading, and we are improving each year.

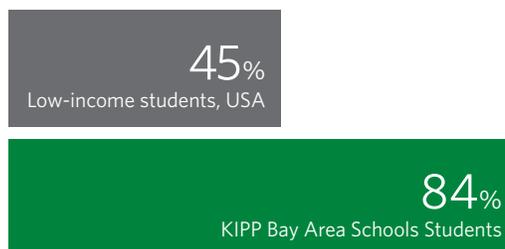

ALL OF OUR STUDENTS COMMIT TO:

- Attend school from 7:30 AM to 5:00 PM Monday, Tuesday, and Thursday; 7:30 AM to 3:30 PM on Wednesday and Friday
- Attend designated Saturday school sessions from 9:00 AM to 12:00 PM
- Complete an average of two hours of homework each night
- Attend one to two weeks of mandatory summer school
