Dear Bayview Parents,

It has been a great honor to be a part of this community for over a decade and we would like to continue serving the students who need us most for many decades to come. As a charter school, we have to submit a request for renewal from San Francisco Unified every five years. KIPP Bayview has submitted a request and the San Francisco Unified School Board will be voting to approve or deny our request on March 24<sup>th</sup>. Please help Bayview get renewed for another five years by attending this meeting in your best KIPP gear! Meeting details are below. Thank you for your many years of support and I hope to see you there!

When: Tuesday March 24<sup>th</sup> 6pm  
Where: SFUSD, 555 Franklin St

If you are interested in providing testimony during the meeting, please reach out to Angela Le @ 408-839-2967 or email at [angela.le@kippbayarea.org](mailto:angela.le@kippbayarea.org).

If you are unable to attend the meeting but still want to show your support, you can write to the school board about why you chose KIPP Bayview. Send your letter to: SFUSD Board of Commissioners, 555 Franklin St, SF 94102. You can also email Board members directly:

This is your copy, please keep  
for your records!

We highly encourage parents to volunteer on campus, but it is not *required*. We are currently seeking volunteers to help us monitor students during pick up and drop off times. Please note that while there is a change in our volunteer policy (parent volunteer hours are not mandatory), hours are tracked and rewarded. Thank you for all of your support!
