## About KIPP Through College

### MISSION

The mission of KIPP Through College is for all students to have the access, skills and resources necessary to navigate to and through college into self-sufficient adulthood. The KTC team, therefore, provides structured support focused on college readiness, persistence, and completion until the day alumni receive their college degree.

### SERVICES

#### College Advising

Eleventh and twelfth graders are provided with college knowledge and academic advising through workshops, one-on-one meetings, and seminar coursework. All twelfth graders work closely with KTC Advisors who guide students through the college application process - from researching the right college match, completing applications and financial aid to accessing scholarships and enrolling in college.

#### Alumni Advising

KTC Alumni Advisors support alumni in college by tracking academic progress, connecting students to services on and off campus, and helping alumni stay linked to their KIPP family through outreach, campus cohorts events and the network of KIPP schools that span the country.

## Initiatives & Programs

### KIPP COLLEGE SAVINGS PROGRAM

KIPP's College Savings Program is comprised of three parts: student financial literacy lessons, parent financial empowerment workshops and enrollment into 529 savings accounts for KIPP Bay Area Schools students and alumni.

#### KIPP: COLLEGE SAVINGS PROGRAM

Through our partnership with Utah's Educational Savings Plan, KIPPsters are eligible to enroll in 529 plans to make saving for college easy, convenient and affordable.

### CAREER READINESS

KIPP Through College provides major exploration and career readiness support through our 1:1 advising model, College & Career Connections programming at KIPP high schools, annual Career Summit event for college-age alumni and a robust Alumni Internship Program (AIP) over the summer. Our career readiness programming provides exposure to the variety of careers available and develops the necessary knowledge, skills, mindsets and behaviors to be successful in professional environments.

### COLLEGE PARTNERSHIPS

The KTC team develops targeted partnerships with colleges and universities with large concentrations of KIPP alumni. The goal is to leverage recruiting and retention initiatives to ensure KIPPsters enroll, persist, and graduate. Current local college partners include:

- California Polytechnic University - San Luis Obispo
- Notre Dame de Namur University
- Saint Mary's College of California
- San Francisco State University
- San José State University
- Sonoma State University
- University of San Francisco
- University of California, Berkeley
- University of California, Davis
- University of California, Merced
- University of California, Santa Cruz
